

In approximately one week you will have a science quiz. The quiz will be paper and pencil, however the questions will be read orally and support will be provided as required. Below you will find a copy of the quiz. Please use our science webpage if you need help to study for your quiz. If you are having any trouble, please e-mail me so that I can help.

1. All things need _____ to move. {Lesson 2}
2. Sort the following into “Natural” things or “Man-Made” things. {Lesson 5}
3. Label the resources shown in the pictures. Circle the renewable resources. {Lesson 6}
4. Label the picture of the wind cycle. {Lesson 7}
5. Label the picture of the water cycle. {Lesson 9}
6. How does a tree rely on both the water cycle and the wind cycle? {Lesson 10 – Discussed in class}
