Moving Objects

Choose objects that perform the movements listed in the table below. Write the object and draw a picture.

| Movement | Object | Picture |
|----------|--------|---------|
| turns | | |
| spins | | |
| swings | | |
| bounces | | |
| rolls | | |
| slides | | |
| vibrates | | |

Name: _____

Date: _____

Make a list of as many movement words as you can think of in the space below. To help you think of words, close your eyes and picture things moving, think about animals, toys, vehicles or anything else that moves.

Draw some pictures to show your favourite kinds of movement.
