

In approximately one week you will have a science quiz. The quiz will be done orally, you will be asked the questions and your verbal answers will be marked. Below you will find a copy of the quiz. If you are having any trouble, please e-mail me so that I can help.

1. What is matter?
2. Name five examples of matter.
3. What is a solid?
4. Name five examples of a solid.
5. What happens when you break a solid?
6. What is a liquid?
7. Name five examples of a liquid.
8. Please name these four safety symbols. (You will have to name the four safety symbols from your worksheet.)
