# Population Limits

**Glue your first  
card here.**

Write out your thoughts about the habitat.

---

---

---

---

---

---

**Glue your second  
card here.**

Write out your thoughts about the habitat.

---

---

---

---

---

---

What are the major differences between what you discussed about your first card, and what you discussed about your second card?

---

---

---

---

---

---

---

---

Do you think the habitat would survive based on what you read with your second card? Explain your answer.

---

---

---

---

---

---

---

---

Why is it that population control is such an important thing to consider and respect?

---

---

---

---

---

---
