

# Grade 7 Science

## Unit 4: Structures

## Ergonomics

Today's period will be used to work on your Ergonomics Advertisement. Before we begin, let's quickly review the criteria for this task again:

You should have your rough copy complete. You should be working on your good copy.

- Create a document on your drive
  - > Name it appropriately
- Find/Create an image to use
- Start typing your information

This assignment is **due at the end of next period**. If you do not feel that will be enough time, you should be doing some of it at home prior to next class.
